Pre-Retrofit Submissions 2014

Program Update: Contractor Insurance Requirements

5

- ❑ **SMUD HPP will no longer verify contractor insurance coverage.**
- ❑ **Contractors should have insurance protection for the complete scope of any work undertaken for the SMUD Home Performance Program.**
- ❑ **Questions or clarifications about insurance protection can be directed to Jim Mills.**

Program Update: Multi-Measure Bonus

6

- ❑ SMUD HPP will now offer a \$300 bonus on projects with **five or more** measures.
- ❑ Applies to all measures.
- ❑ Applies to natural gas and electric heated homes.
- ❑ HVAC change-out with duct sealing = 1 measure.
- ❑ Questions or clarifications about the 5-measure bonus can be directed to Rebecca Brown.

Program Update: Energy Assessment Ends Soon

7

- ❑ The \$150 energy assessment rebate will end on December 31, 2014.
- ❑ Questions or clarifications about the energy assessment rebate can be directed to Jim Mills.

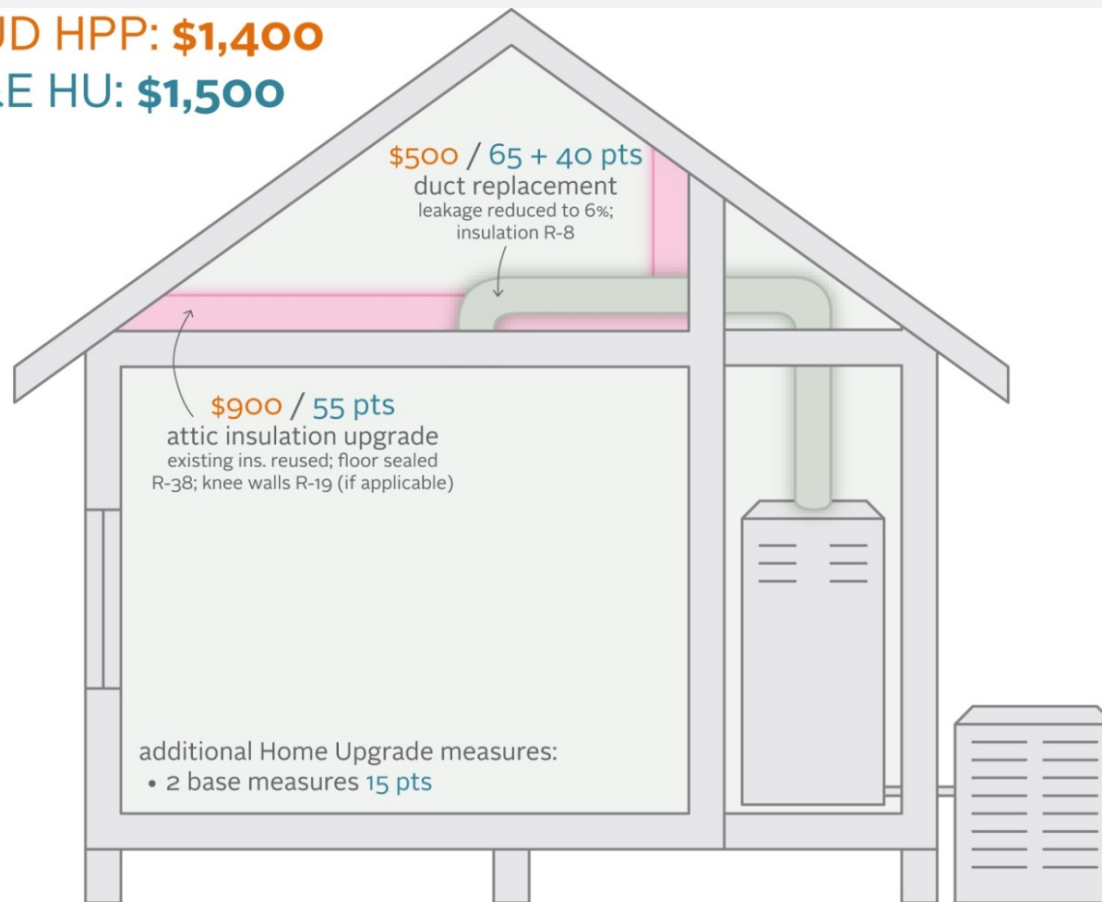

Program Update: New Rebate Sample

8

- ❑ Don't forget, some customers want a simple project scope.

SMUD HPP: **\$1,400**

PG&E HU: **\$1,500**

Attic insulation upgrade + duct replacement = affordable project for the cost-minded homeowner.

See new HPP+HU Example Quick Guide for details.

Program Update: Pool Pumps

Reminder: You can get the HPP pool pump rebate if:

- ❑ **Your customer hires a certified pool pump professional** to install a qualifying pool pump
- ❑ You subcontract a certified pool pump installer
- ❑ Your pool pump–certified staff installs the pool pump

Pool pump replacement with controller:

- ❑ Single-speed, variable speed = \$400
- ❑ Two-speed, variable speed = \$250

Pool pump	Replace pool pump	Single-speed	Variable-speed	\$400		❑
		Two-speed	Variable-speed	\$250		❑

Let's Keep Up the Momentum for 2014!
