

Air Sealing Chart Changed

New air sealing and insulation guidelines have been updated (see the table below.)

		Existing Attic Insulation		
		R19 or less	R20 – R29	R30 or more
Existing Infiltration	0.35 ACHn or less	<i>Not Required, but highly recommended</i>	<i>Not Required, but highly recommended</i>	<i>Not Required, but highly recommended</i>
	More than 0.35 ACHn	Air Sealing Required	Required if infiltration target can't be achieved by other means	<i>Not Required, but highly recommended</i>

A callout box labeled "New Guideline" with a blue arrow pointing to the cell where Existing Infiltration is "0.35 ACHn or less" and Existing Attic Insulation is "R19 or less".

New SMUD Financing Available

SMUD aggressively backs Home Performance by offering homeowners unbeatable

financing. Act now as the application fee is waived through the end of next year. More information about this 5.5% APR 10-year term financing package is available [here](#).

Updated Job Reporting Template (JRT)

The updated JRT allows homeowners to assign the rebate directly to the contractor. Simply ask the homeowner to sign the new JRT Rebate Application tab in the section "Rebate Payment Information" and HPP will pay the rebate directly to the contractor. The updated JRT also includes a few minor bug fixes to improve functionality, so please [download](#) and use the updated JRT now.

Contractor Meeting Recording

On-demand videos of the contractor meeting held on August 31, 2012 are posted on the [CBPCA website](#). These recordings offer those contractors not in attendance the opportunity to catch up on new program developments, attractive financing details and in-depth pool pump energy auditing tips. Video segments are organized by speaker for easy access. If you were unable to attend the August 31 contractor's meeting, or you just want to learn more about HPP program, please visit cbpca-hpp.org
