HPP Success Metrics!

2

- To date, **2,000** SMUD Home Performance Program projects completed since 2010
- HPP has touched **1% of all single family homes in SMUD territory** — best market penetration of any home performance program in California
- Of the ~12,000 rebated home performance projects completed across the state since 2009, SMUD HPP projects represent **16% of completed projects**
- To date, HPP has saved **9,081,820 kWh/year**

2015 Contractor Participation Agreement

3

- Who needs to submit a 2015 Contractor Participation Agreement (CPA)?
 - **All existing and new contractors**
- When is the deadline to submit my 2015 CPA?
 - **January 31, 2015**
- What does the updated CPA provide?
 - A summary of all **rule changes, the current incentive menu, and the updated job submission timeline.**
- How do I submit my 2015 CPA?
 - **Download** the new Contractor Participation Agreement, **sign**, and **send to Jim Mills** (james.mills@smud.org).
 - Printable and PDF fill-in versions of the 2015 CPA with instructions are available at ***<http://cbpca-hpp.org/library/>***

**Add Value with
HVAC + HP!**

New HVAC + HP Incentives!

4

Post-Project		2014 Rebate	Plus \$	2015 Rebate	
Replace HVAC	<i>New or replacement electric HVAC system</i>	Split central AC / ≥ 14.5 SEER, ≥ 12 EER	\$400	\$100	\$500
		Split central AC / ≥ 15 SEER, ≥ 12.5 EER	\$500	\$150	\$650
		Split central AC / ≥ 16 SEER, ≥ 13 EER	\$650	\$200	\$850
		Split central AC / ≥ 14.5 EER	\$1,100		
		Split central AC / ≥ 14.5 EER - Aqua Chill	\$2,000		
		Packaged central AC / ≥ 14 SEER, ≥ 11 EER	\$400	\$100	\$500
		Packaged central AC / ≥ 14 SEER, ≥ 12 EER	\$500	\$150	\$650
		Split heat pump / ≥ 14.5 SEER, ≥ 12 EER, ≥ 8.5 HSPF	\$400	\$100	\$500
		Split heat pump / ≥ 15 SEER, ≥ 12.5 EER, ≥ 8.5 HSPF	\$500	\$150	\$650
		Packaged heat pump / ≥ 14 SEER, ≥ 11 EER, ≥ 8 HSPF	\$400	\$100	\$500
		Packaged heat pump / ≥ 14 SEER, ≥ 12 EER, ≥ 8 HSPF	\$500	\$150	\$650
		Mini-split heat pump / ≥ 15 SEER, ≥ 8.5 HSPF With DC inverter technology	\$250 per indoor head, \$1,000 max		

Phased Projects Welcomed!

5

SMUD appreciates our 2,000 HPP customers

To express our gratitude for their participation (and yours), HPP welcomes “phase 2” projects.

Once a house has met the core Phase 1 requirements for air sealing, duct sealing, and insulation, the homeowner is eligible to return at anytime to receive rebates on additional program measures.

Help your satisfied customers meet their long-term efficiency goals with a flexible phased project approach.
